Warranty, service & support

Warranty

1-year comprehensive. Covers the frame, drivetrain, hydraulics and other major components.

3-year battery. A separate warranty on the battery.

Extended, $1,800 / year. The same comprehensive coverage as the standard warranty.

After warranty. Parts and service continue at cost, with minimal additional charges.

Parts availability

Stocked. All parts are held at our Abbotsford warehouse.

~95% sourced locally. Most parts can also be found close to you.

Service

In-house technicians. Full-time, available weekdays and weekends.

1–2 hour response. Typical time from service call to arrival on-site.

Loaner forklift. Provided immediately if a repair can't be completed quickly.

Service partners. Third-party partners, including NNK Equipment, step in if our team is fully booked.

Compliance & insurance

$10M liability insurance. Commercial General Liability coverage on our forklifts; documents on request.

WorkSafeBC. Inspected at many client sites — every forklift has passed.

Commercial

Trade-in upgrades
Move up to a heavier-duty or higher-capacity model within the first year. Value confirmed at time of upgrade.
